**Principal’s Report**

- Headspace at Ashfield will attend the P and C on June the 24th to provide information to parents about young people and mental health issues.
- A parent has raised the potential of fundraising activities around cheese making and pickle making workshops using the school kitchens
- **Mean Girls** the new musical needs to be promoted. General discussion that the P and C will have both a BBQ, Cake and coffee staff and perhaps Gelati during the performances Wednesday 20th Thursday 21st Friday 22nd and Sat 23rd May.
- Bring your own device (BYOD) – The school has now run out of laptops to provide to students. The school urgently needs old laptops as donations. All spares have run out. There was a suggestion for families to sponsor other families to address the need of 25 laptops immediately. The Lenovo Thinkpad is recommended as the most affordable and compatible device. Asus is also good. Suggestion that we approach Optus or Telstra for grants.
- Wrote to scripture board – no further issues in relation to scripture at this stage.
- Cross country (3Kms) this week and rehearsals for **Mean Girls**
- Gardening – generally about 20 students are contributing in an ongoing way to the garden.
- The issue of storage of string instruments was raised and Sue Holden will follow up.
